Dear Miss Germani:

Thank you for your recent letter. At the present  
time my schedule looks as though I will be in Washington, D. C.  
for the most part of August, and I shall be happy to have you  
visit me.

Very truly yours,

Dear Mr. Hoffa,

Now that the summer is approaching,  
I am planning to take a trip to  
Washington. The trip would probably  
take place in August. I was  
wondering if you will be in  
Washington at all this year? (summer)  
If you are I would like very much to  
see you.

Last year when I was visiting, I was  
very sorry I missed you. However, I did  
take a tour of your building which I  
greatly enjoyed.

How have you been?  
I have been fine. This week I've  
just finished school. Now I have one  
more year to go. When I graduate I  
hope to be an interpreter. Last night  
I received an award for Honor Roll.  
I've enjoyed school very much this  
year with proms and everything.

I hope this year you will be able to  
see the pictures we took. I still have  
my scrapbook.

Are things still the same in  
Washington?

Here in New York nothing has  
changed much. I'm glad the  
summer is here now.

Someday before I come to Washington  
I will give you a phone call.

I'm looking forward very much to  
see you this year, so until then,

Sincerely  
Sue

Dear Sue:

Thank you for your letter of February 26th. As far as I know at the present time, I shall be in Washington on the date of your forthcoming visit, April 3 to the 7th.

It may be that my work will take me out of the City at that time, but I am quite confident that I shall be here and will be happy to see you on your arrival.

Sincerely,

James R. Hoffa

Dear Mr. Haffa,

And this coming April,  
my parents have promised  
me a trip to Washington,  
if you would be there. And  
this trip I hoped that  
I might possibly get to  
see you, this trip would  
be from April 3rd to the  
7th. I thought it would  
be advisable at this time  
to find out if you would  
be in Washington any  
one of those days. (I was  
wondering) if it would  
be possible to write me  
at your convenience and  
tell me if you would be  
there. I would appreciate  
it if you could. Thank-you

Dear Mr. Haffa,

I thought that I would  
write to you and thank you  
for the wonderful interview  
you gave me last month.  
I enjoyed it very much, and  
so did my parents. I have  
never been in your building  
before, it is beautiful inside.  
I'd also like to thank you  
for letting me come in your  
office and take pictures. I am  
enclosing a picture of your  
building which I took in  
Washington, and since it  
came out rather nice, I  
thought I would send it to  
you. I hope that maybe  
sometime this year that

we can get together in  
New York - make a  
rally or if you come  
for a visit.

Until then I am,

Dear Mr. Hoffa,

Last summer August 1959 I  
visited your headquarters. At  
the time I went to visit;  
there was a convention going  
on. However I did get to see  
you that day, I'm not sure  
if you remember. I was very  
grateful that I could see  
you at such a time. Also  
this year I saw you at a  
rally in Madison Square  
Garden. My father was  
lucky enough to obtain  
tickets through Mr.  
Edward Corrigan Recording  
Secretary for Joint Council  
16, whom my father knows  
through business. At  
the rally I did get up front to  
sing even though it was very  
crowded. This summer

my parents have promised  
to take me to Washington  
to come and see your  
office. However I do not  
know when you would  
be in Washington  
between July and August.  
I was wondering if you  
could let me know at  
your convenience when  
you might be in Washington  
at a certain time in the  
summer, when you know  
your schedule. Since I  
would very much like to  
see your office. I thank you  
for taking your time to  
read this letter.

Yours truly

Dear Mr. Hoffa,

I wanted to write and thank you for the wonderful reception I received when visiting your headquarters. I would like to personally thank your secretary, the personnel manager and your receptionist. I wish every person knew what wonderful treatment I received at your headquarters, especially at such a busy time. While there, I was introduced to some delegates, and they were all so friendly and helpful. As I met these people, I realized what false charges and lies are printed in the paper and said by some people. In many magazines I have you are the "teamster's teamster." When I met you I found out how true it is. If people met you they would realize ~~how~~ the same thing. My father is not a

Union man, but he so admires you  
because of what you have done for  
the workers. I don't believe many  
union leaders would have done  
what you did, to meet a person you  
never saw before an important  
meeting. If you are ever in New York  
I would appreciate seeing you again.
